Compare and agree the “Loan/Property Name”, “Street Address”, “City”, “County”, “State”, “Zip Code” and “Cut-off Date Balance” for the Mortgage Loans and Mortgaged Properties set forth on the Annex to the corresponding information set forth on the Data File.

B. The finding(s) are as follows:

Based solely on such procedure(s), we found such information in the Annex to be in agreement with the corresponding information set forth on the Data File.

Procedure No. 3 (Loan Files)

A. The procedure(s) are as follows:

Obtain from the Sponsors copies of the loan files (the “Loan Files”) for the Mortgage Loans and inspect the Loan Files for the presence of copies (or, in the case of the document described in item a. below, an original) of the following source documents for each Mortgage Loan and ascertain that such documents were signed:

- a. Promissory note (the “Promissory Note”),
- b. Mortgage/deed of trust (the “Mortgage/Deed of Trust”),

- c. Final title policy, or, if coverage is stated as binding on the insurer in an escrow letter, a “marked-up” pro forma title policy or commitment to issue a title policy (together, the “Title Policy”),
- d. Closing statement (the “Closing Statement”),
- e. Appraisal report (the “Appraisal Report”),
- f. Borrower Rent Roll (if applicable) (the “Borrower Rent Roll”) and
- g. Underwriting Summary prepared by the applicable Sponsor (the “Underwriting Summary”).

In addition:

- ii. If the Offering Document indicates that a Mortgage Loan consists of a participation interest, then inspect the related Loan File for the presence of a copy of the Participation Agreement (the “Participation Agreement”) and ascertain that such document was signed, and
- iii. If the Offering Document indicates that another mortgage loan is secured by a Mortgaged Property that secures a Mortgage Loan, then inspect the related Loan File for the presence of a copy of the co-lender agreement or intercreditor agreement (the “Intercreditor Agreement”) and ascertain that such document was signed.

B. The finding(s) are as follows:

Based solely on such procedure(s), we found that the Loan Files contained the required source documents identified in Paragraph 3(A) above and those source documents were signed.

II. TALF Qualifying Asset Procedures

Procedure No. 4 (Fully-Funded)

A. The procedure(s) are as follows:

Read the Promissory Note, the Loan Agreement (if any) and Closing Statement of each Mortgage Loan to ascertain whether the Mortgage Loan was fully funded at or before the date of inspection. If the Offering Document states that an asset of the Trust is a participation, perform the procedure assuming the related underlying mortgage loan is the “Mortgage Loan”. If the Offering Document states that one or more mortgage loans other than the Mortgage Loan are secured or to be secured by one or more Mortgaged Properties for the Mortgage Loan, obtain from the Sponsors copies of, and read the promissory note, the loan agreement (if any) and closing statement of each such mortgage loan to ascertain whether such mortgage loan was fully funded at or before the date of inspection; and assume the Mortgage Loan was not fully-funded if any such other mortgage loan was not fully funded at or before the date of inspection.

B. The finding(s) are as follows:

Based solely on such procedure(s), we found that the Mortgage Loans are in agreement with the condition described in Item A. of the CMBS TALF Qualifying Asset Conditions that are listed on the attached Exhibit 1 as of the date of inspection.

Procedure No. 5 (First Priority Loans)

A. The procedure(s) are as follows:

Read the Title Policy and the Mortgage/Deed of Trust of each Mortgage Loan and agree that both documents state that the Mortgage Loan is a first priority mortgage loan. If the Offering Document states that one or more mortgage loans other than the Mortgage Loan are secured by one or more Mortgaged Properties for the Mortgage Loan, read the Intercreditor Agreement and agree that the other mortgage loan(s) are not senior to the Mortgage Loan in right of payment of principal and interest and, unless so agreed, assume the Mortgage Loan is not a first priority mortgage loan. If the Offering Document states that an asset of the Trust is a participation, assume the related underlying mortgage loan is the "Mortgage Loan" for the foregoing purposes.

B. The finding(s) are as follows:

Based solely on such procedure(s), we found that the Mortgage Loans are in agreement with the condition described in Item B. of the CMBS TALF Qualifying Asset Conditions that are listed on the attached Exhibit 1.

Procedure No. 6 (Current in Payment)

A. The procedure(s) are as follows:

Obtain from the Sponsors a list of the servicers of the Mortgage Loans and obtain a representation letter from the related servicer of each Mortgage Loan stating that the Mortgage Loan is current in payment as of the earlier of the Cut-off Date or the due date for the most recent monthly scheduled debt service payment that precedes the date of this report by not less than 5 business days. If a monthly scheduled debt service payment is unpaid as of such date, inspect the Promissory Note to ascertain whether the grace period, if any, for the payment has expired; and assume the payment is "current" if the grace period has not expired. If the Offering Document states that an asset of the Trust is a participation, assume the related underlying mortgage loan is the "Mortgage Loan".

B. The finding(s) are as follows:

Based solely on such procedure(s), we found that the Mortgage Loans are in agreement with the condition described in Item C. of the CMBS TALF Qualifying Asset Conditions that are listed on the attached Exhibit 1.

Procedure No. 7 (Participations)

- A. The procedure(s) are as follows:

If the Offering Document states that an asset of the Trust is a participation, read the Participation Agreement of each related Mortgage Loan and ascertain whether the participation is identified as senior or pari-passu in right of payment of principal and interest with all other ownership interests in the same mortgage loan that are not assets of the Trust.

- B. The finding(s) are as follows:

Based solely on such procedure(s), we found that the Mortgage Loans are in agreement with the condition described in Item D. of the CMBS TALF Qualifying Asset Conditions that are listed on the attached Exhibit 1.

Procedure No. 8 (Fixed Rates)

- A. The procedure(s) are as follows:

Read the Promissory Note and/or Loan Agreement of each Mortgage Loan to ascertain whether such loan is a fixed rate loan. If the Offering Document states that an asset of the Trust is a participation, assume the related underlying mortgage loan is the "Mortgage Loan" and also read the Participation Agreement to ascertain that the "participation interest rate" is a fixed rate.

- B. The finding(s) are as follows:

Based solely on such procedure(s), we found that the Mortgage Loans are in agreement with the condition described in Item E. of the CMBS TALF Qualifying Asset Conditions that are listed on the attached Exhibit 1.

Procedure No. 9 (Not Interest-Only)

Read the Promissory Note and/or Loan Agreement of each Mortgage Loan to ascertain whether such loan provides for payments of interest only during any part of its remaining term after the Cut-off Date. If the Offering Document states that an asset of the Trust is a participation, assume the related underlying mortgage loan is the "Mortgage Loan" for this purpose.

Procedure No. 10 (Mortgages)

B. The finding(s) are as follows:

Based solely on such procedure(s), we found that the Mortgage Loans are in agreement with the condition described in Item G. of the CMBS TALF Qualifying Asset Conditions that are listed on the attached Exhibit 1.

B. The finding(s) are as follows:

Based solely on such procedure(s), we found that the Mortgage Loans are in agreement with the condition described in Item H. of the CMBS TALF Qualifying Asset Conditions that are listed on the attached Exhibit 1.

Procedure No. 12 (Income-Generating)

A. The procedure(s) are as follows:

Read the Appraisal Report or Borrower Rent Roll of each Mortgage Loan to ascertain whether such document indicates that one or more related Mortgaged Properties together provide for some form of rental payments or other cash flows; and assume that a Mortgaged Property is “income-generating” if at least one of such documents indicates that a related Mortgaged Property provides for some form of rental payments or other cash flows.

B. The finding(s) are as follows:

Based solely on such procedure(s), we found that the Mortgage Loans are in agreement with the condition described in Item I. of the CMBS TALF Qualifying Asset Conditions that are listed on the attached Exhibit 1.

Procedure No. 13 (U.S. Properties)

A. The procedure(s) are as follows:

Read the Appraisal Report of each Mortgage Loan to ascertain whether each Mortgaged Property is located in the United States or one of its territories.

B. The finding(s) are as follows:

Based solely on such procedure(s), we found that the Mortgage Loans are in agreement with the condition described in Item J. of the CMBS TALF Qualifying Asset Conditions that are listed on the attached Exhibit 1.

Procedure No. 14 (Origination Dates)

A. The procedure(s) are as follows:

Read the Promissory Note and/or Loan Agreement of each Mortgage Loan to ascertain whether such loan was originated on or after July 1, 2008. If the Offering Document states that an asset of the Trust is a participation, assume the related underlying mortgage loan is the "Mortgage Loan" for this purpose.

B. The finding(s) are as follows:

Based solely on such procedure(s), we found that the Mortgaged Properties are in agreement with the condition described in Item K. of the CMBS TALF Qualifying Asset Conditions that are listed on the attached Exhibit 1.

Procedure No. 15 (Recent Underwriting)

A. The procedure(s) are as follows:

Read the Underwriting Summary of each Mortgage Loan to ascertain whether the date thereof is recent; read the Appraisal Report of each Mortgaged Property to ascertain whether the date of the as-is appraisal value set forth in the Appraisal Report is recent; and assume the applicable dates are "recent" if they are not more than six (6) months before the Cut-off Date. Identify Mortgage Loans for which the date of the Underwriting Summary or the date of the as-is appraisal value date set forth in the Appraisal Report is more than three (3) months prior to the Cut-off Date by providing a schedule listing the Mortgage Loans for which the applicable date was more than three (3) months prior to the Cut-off Date.

B. The finding(s) are as follows:

Based solely on such procedure(s), we found that the Mortgage Loans are in agreement with the condition described in Item L. of the CMBS TALF Qualifying Asset Conditions that are listed on the attached Exhibit 1. The attached Exhibit 3 (with respect to Underwriting Summaries) and Exhibit 4 (with respect to as-is appraisal values) either (a) sets forth a list of Mortgage Loans for which the applicable date is more than three (3) months prior to the Cut-off Date or (b) states "None" if the applicable date for each Mortgage Loan is not more than three (3) months prior to the Cut-off Date.

Procedure No. 16 (U.S. Originators)

A. The procedure(s) are as follows:

Read the Promissory Note and/or Loan Agreement of each Mortgage Loan and a charter or a good standing certificate of, or a public record of a domestic banking or insurance regulatory authority (as provided by the applicable Sponsor) identifying, the party named as the original payee under the Promissory Note or Loan Agreement of such Mortgage Loan to ascertain whether each Mortgage Loan was originated by a U.S.-organized entity or institution or a U.S. branch or agency of a foreign bank and calculate whether all or substantially all (defined as at least 95% of the aggregate Cut-off Date Balance) of the Mortgage Loans were so originated. If the Offering Document states that an asset of the Trust is a participation, assume the related underlying mortgage loan is the "Mortgage Loan" for this purpose.

B. The finding(s) are as follows:

Based solely on such procedure(s), we found that the Mortgage Loans are in agreement with the condition described in Item M. of the CMBS TALF Qualifying Asset Conditions that are listed on the attached Exhibit 1.

III. Other Procedures

Procedure No. 17 (Amortization Schedules)

A. The procedure(s) are as follows:

Read, and using information from, the Promissory Note, Loan Agreement and/or Mortgage/Deed of Trust for each Mortgage Loan, ascertain whether the Mortgage Loan requires, as of the origination date, amortization according to a schedule of greater than 30 years. If the Offering Document states that an asset of the Trust is a participation, assume the related underlying mortgage loan is the "Mortgage Loan" for this purpose. Identify the Mortgage Loans that require, as of their origination dates, amortization according to a schedule of greater than 30 years by providing a schedule listing the "Mortgage Loan ID",

"Mortgage Loan Name", "Cut-off Date Balance" and "Amortization Term" for each of those Mortgage Loans.

B. The finding(s) are as follows:

Based solely on such procedure(s), we either (a) listed in the attached Exhibit 5 those Mortgage Loans that require amortization according to a schedule of greater than 30 years according to such loan documents or (b) stated "None" on the attached Exhibit 5 if no Mortgage Loan requires amortization according to a schedule of greater than 30 years according to such loan documents.

Procedure No. 18 (Cut-off Date Balances)

A. The procedure(s) are as follows:

Using information from the Promissory Note, Loan Agreement, Mortgage/Deed of Trust, Participation Agreement and/or Intercreditor Agreement of each Mortgage Loan, recalculate the scheduled outstanding principal balance of each Mortgage Loan as of the Cut-off Date (the "Cut-off Date Balance") and compare the recalculated Cut-off Date Balance of each Mortgage Loan to the corresponding information on the Data File. For the purpose of this procedure, balances are considered to be in agreement if the difference between them is \$1.00 or less.

B. The finding(s) are as follows:

Based solely on such procedure(s), we found that the recalculated Cut-off Date Balance agrees to the Cut-off Date Balance set forth on the Data File for each Mortgage Loan.

Procedure No. 19 (Large Cut-off Date Balances)

A. The procedure(s) are as follows:

Sort the Data File by Cut-off Date Balance and identify all Mortgage Loans with a Cut-off Date Balance of more than \$25,000,000 by providing a schedule listing the "Mortgage Loan ID", "Mortgage Loan Name" and "Cut-off Date Balance" for each of those Mortgage Loans.

B. The finding(s) are as follows:

Based solely on such procedure(s), we either (a) listed in the attached Exhibit 6 the Mortgage Loans with a Cut-off Date Balance, as set forth on the Data File, of more than \$25,000,000 or (b) stated "None" on the attached Exhibit 6 if no Mortgage Loan has a Cut-off Date Balance, as set forth on the Data File, of more than \$25,000,000.

Procedure No. 20 (Loan-to-Value Ratios)

A. The procedure(s) are as follows:

Using the Cut-off Date Balance, as shown on the Data File, and as-is appraisal value, as shown in the Appraisal Report located in the related Loan File, of each Mortgage Loan, recalculate the loan-to-value ratio (the "Current LTV") of each Mortgage Loan as of the Cut-off Date and compare and agree the recalculated Current LTV of each Mortgage Loan to the corresponding information on the Data File. Solely for this purpose, (a) if the Offering Document states that an asset of the Trust is a participation, read the Participation Agreement and assume the Cut-off Date Balance of the Mortgage Loan is equal to the Cut-off Date "participation principal balances" of the participation and all other related participations that are stated in the Participation Agreement as pari passu with the participation in right of payment of principal and interest, and (b) if the Offering Document states that one or more loans other than the Mortgage Loan are secured by one or more Mortgaged Properties for the Mortgage Loan, read the Intercreditor Agreement and assume the Cut-off Date Balance of the Mortgage Loan is equal to the sum of the Cut-off Date Balance of the Mortgage Loan and the Cut-off Date principal balance of all other mortgage loan(s) stated in the Intercreditor Agreement as pari passu in right of payment with the Mortgage Loan.

B. The finding(s) are as follows:

Based solely on such procedure(s), we found that the recalculated Current LTV agrees to the Current LTV set forth on the Data File for each Mortgage Loan.

Procedure No. 21 (Loan-to-Value Ratios)

A. The procedure(s) are as follows:

Sort the Data File by Current LTV and identify all Mortgage Loans with a Current LTV of more than 80% by providing a schedule listing the "Mortgage Loan ID", "Mortgage Loan Name", "Cut-off Date Balance" and "Current LTV" for each of those Mortgage Loans.

B. The finding(s) are as follows:

Based solely on such procedure(s), we either (a) listed in the attached Exhibit 7 the Mortgage Loans with a Current LTV, as set forth on the Data File, of greater than 80% or (b) stated "None" on the attached Exhibit 7 if no Mortgage Loan has a Current LTV, as set forth on the Data File, of greater than 80%.
