Practitioner’s Notes:

- In June 2014, Banco Central do Brasil indicated its intention to cease use of the SISBACEN system as of August 30, 2014 and to publish the BRL PTAX rate going forward on its website only.
- Parties that specify in confirmations that a particular version of Annex A applies to their trades should reference Annex A effective as of September 1, 2014 if they desire to incorporate the new INR RBIB or BRL PTAX rate source definition into their trades. If parties do not specify in their confirmations a particular version of Annex A, the above INR RBIB and BRL PTAX rate source definitions will apply to trades that incorporate the 1998 FX and Currency Option Definitions and have a trade date on or after September 1, 2014.
